HAPPY SWITCHING

Contemporary architecture and interiors have resulted in a need to adapt to the new age technology and design. We have developed quality products which are designed for different people, different needs, spaces and lifestyles. Aesthetically appealing yet functional, our products would surely add charm to your interiors.

Happy Switching !

Flat Switch
Super Slim Design
Long Lasting

NORTH · WEST

THE SUPER SLIM FLAT SWITCH

Flat switch with the slimmest profile with a plate thickness of just 7.2mm is bound to complement your interiors as well as your aesthetic sense.

FLAT SWITCH

Full flat design owing to the four-part assembly which gives you a feather-touch feeling every time you turn on the switch.

DURABLE AND LONG LASTING

The switches can withstand upto 1,00,000 cycles and sockets more than 20,000 cycles. Not only does the switch last longer but it also retains its beauty over time.

stylus⁺
dual mounting
mechanism

Contemporary collarless design

Protective spark shield

Terminals shrouding for greater protection

DOUBLE FITMENT FOR ENHANCED SAFETY

Stylus+ comes with the benefit of dual fitment mechanism, which facilitates by holding all the modules firmly onto the base frame. This system ensures extra safety for user. Designed with high finish and aesthetics, the Stylus+ range offers plates in Gloss, Matt White and Metal finish.

CLICK-ON MECHANISM

Perfectly engineered click-on mechanism supports rapid installation

EASY TO USE

Cover plates are designed with special notch on the side to aid fast and easy detachment

LOCATOR

Two guiding points on the product act as guides and help in easy alignments

convex

perma-fit assembly

Elegant collar design

Thermoset material for safe electrical insulation

Heavy metal contacts for better conductivity

STURDY DESIGN WITH MORE PROTECTION

Convex is a perfect integration of classic design and modern technology. By combining superior electrical engineering technology with elegant aesthetics, it offers a wide range of metal plates, boxes and plastic enclosures for surface mounting.

NOWA

designed for you

Slim and Contemporary Design
Pristine White with High Gloss
Trustworthiness & Reliability of Wipro

INNOVATIVE . SAFE . RELIABLE

North-West believes in delivering solutions that enables a satisfactory and safe use of their switches. The development of NOWA mapped all the common user requirements and translated them as distinctive features to offer more benefits and added value to its users.

Slim and sleek, NOWA measures just 6.5mm

Wide ribs for hassle-free, non-obstructive switch and plug top operation

Slim socket back leaves more space for wire movement and reduces pressure on module

Spark shield to arrest the spark within the switch, safeguarding the user

WARRANTY

The Company undertakes to replace or repair products at its discretion, should they become defective solely as a result of faulty material and or workmanship within 10 years in the case of electro-mechanical wiring products, such as unpainted/noncoated switches, sockets, plates, switches without indicators. 1.5 years in the case of mains related electronic wiring device products such as fan regulators, dimmers, switches with LED indicators Hospitality & communication modules including indicator Modules and one year in case of surface coated products like Distribution Boards, coated plates, metal plates & metal boxes. Also one year in case of protection/security devices like MCB, Tiny-Trip, Motor Starters RCCB, and VDPs. The guarantee will be invalidated if the product has not been installed or maintained in accordance with the Company's instructions, or if any attempt has been made to rectify, dismantle or alter the product or if the products are not accompanied with purchase bill/s or warranty card. The guarantee states the Company's entire liability. It does not extend to cover consequential loss or damage or installation costs arising from the defective product.

Innovations in light with WIPRO LIGHTING

Wipro Corporation is a USD 7 billion Indian enterprise with a market capitalization of over USD 26 billion. Headquartered at Bengaluru, India, we operate 50 plus offices and 'Centers of Excellence' in over 54 countries across the globe. We employ over 120,000 professionals and serve over 900 corporations including a number of Fortune 500 customers.

Wipro Lighting is part of the Wipro Consumer Care & Lighting Division of Wipro Limited. It manufactures and markets Wipro Brand of Luminaires, Lamps and Accessories.

Wipro Lighting caters to Commercial & Institutional clients and offers comprehensive lighting solutions across various application areas.

For more information write to us at helpdesk.lighting@wipro.com
website: www.wiprolighting.com

Innovation and Design is a way of life at WIPRO FURNITURE

Wipro Furniture Business is a part of Wipro Enterprises Limited with operations, sales offices and dealers in over 27 locations across India, serving customers virtually anywhere in India. Our business office and design center is based out of Bangalore.

Our manufacturing facilities are located in Waluj (Aurangabad) and Guduvanchery (Chennai). Since the start of furniture business, the company has created and nurtured over 30 successful sub brands.

At Wipro Furniture, we believe that as business grows and work styles change, workspaces too evolve. We research evolving work environments then design, deliver products and services that make these environments work better. Our furniture is designed for people and the way they work today. Our association with international designers like Tim Wallace, Eric Chan, Conrad Marini and others is a conscious effort to bring in International design and research benefits to Indian customers.
